

## EXPRESSION OF INTREST

Cantt Board Lansdowne is maintaining a view point "Tip in Top" which is among the most popular point visited by Tourists. Board has purchased a Telescope for the attraction of tourist. The Telescope will be fixed in a glazed cabin made for that purpose. To enhance the facility Cantt Board has decided to construct a cafe of size at least 10 feet X 10 feet made of temporary and portable material. Urinal facility, one for gents and one for ladies of size 5'X4' each are also required including disposal pit. All superstructures should match with surrounding and should be environmental friendly.

Expression of interest is invited from the interested contractions to present drawings, estimate specification of the scheme. Most attractive scheme with lowest price will be selected and work will be assigned to contractor.

The last date of submission of EOI in 25/11/2015 up to 1300 hrs.
